And to give you some information about the convention itself in case you have not participated before:

### **What does an IACDE Event offer?**

More than 80 like-minded technical designers and garment engineers from all corners of the world make their way to the international IACDE Convention or Summit every year. Why? Because they know from personal experience that just one visit puts them ahead *for the rest of the year* in their education on garment development and innovation on trends and training.

## Convention schedule
